JOSE CARLOS P. REYES

Director IV

Cybersecurity Bureau

Thru: **VLADIMIR B. CUYA**

Officer-in-Charge (OIC) Division Chief

National Computer Emergency Response Team

Dear HackForGov 2024 Competition Committee,

I'm writing to express the enthusiastic intent of Lyceum-Northwestern University's College of Information and Computing Studies students to participate in the HackForGov 2024 Competition. Our students are excited about the theme, "Today's Generation, Tomorrow's Champion: Shaping the Future of Cybersecurity through Shared Responsibility," and are eager to showcase their skills while contributing to the collective mission of enhancing cybersecurity practices.

We believe this competition will provide an invaluable opportunity for our students to engage with peers, industry experts, and policymakers, broaden their perspectives, and deepen their understanding of cybersecurity issues. We fully support their participation and are committed to providing them with the necessary guidance and resources to succeed.

Thank you for considering our application. We look forward to the opportunity for our students to be part of this prestigious event and make meaningful contributions to the cybersecurity landscape.

Warm regards,

CRISTIAN C. CABUNGAN

OIC-Dean, College of Information and Computing Studies

Lyceum-Northwestern University
